ABOUT US

JOYMEX FOODS

Crafting Taste. Delivering Trust. Scaling Kitchens.

For over **45 years**, Joymex Foods has helped kitchens simplify operations, maintain consistency, and serve globally inspired food with confidence.

What began as a passion for great food has evolved into a trusted multi-cuisine food solutions company serving **HoReCa, QSR, retail,** and **distribution partners** across India and international markets.

From **Mexican** and **Indian** specialities to **Ready-to-Eat, Frozen, Healthy,** and **innovative convenience solutions** — we create products designed for modern kitchens that demand:

CONSISTENCY

SPEED

SCALABILITY

**UNCOMPROMISING
TASTE**

At Joymex Foods, we don't just manufacture food products. We build long-term partnerships powered by **reliability,** **innovation,** and deep understanding of **real kitchen challenges.**

OUR JOURNEY & EXPERTISE

Founded in **1980** with a vision to simplify food operations without compromising quality.

Over the decades, Joymex Foods has:

- pioneered Mexican food solutions in India before the category became mainstream,
- expanded into multiple global and convenience food categories,
- built strong relationships with chefs, QSR chains, HoReCa partners, and distributors,
- and continuously innovated to meet changing consumer and industry demands.

Our strength lies in combining:

authentic taste + operational efficiency + scalable solutions.

PRACTICAL INSIGHTS

Our industry insights and culinary journey are also reflected in the book:

"Make Mexican Matter – A Chef's Playbook for Scalable, Signature Plates."

INDUSTRY RECOGNITION

Mr Tanuj Gandhi
Partner at
Joymex Foods

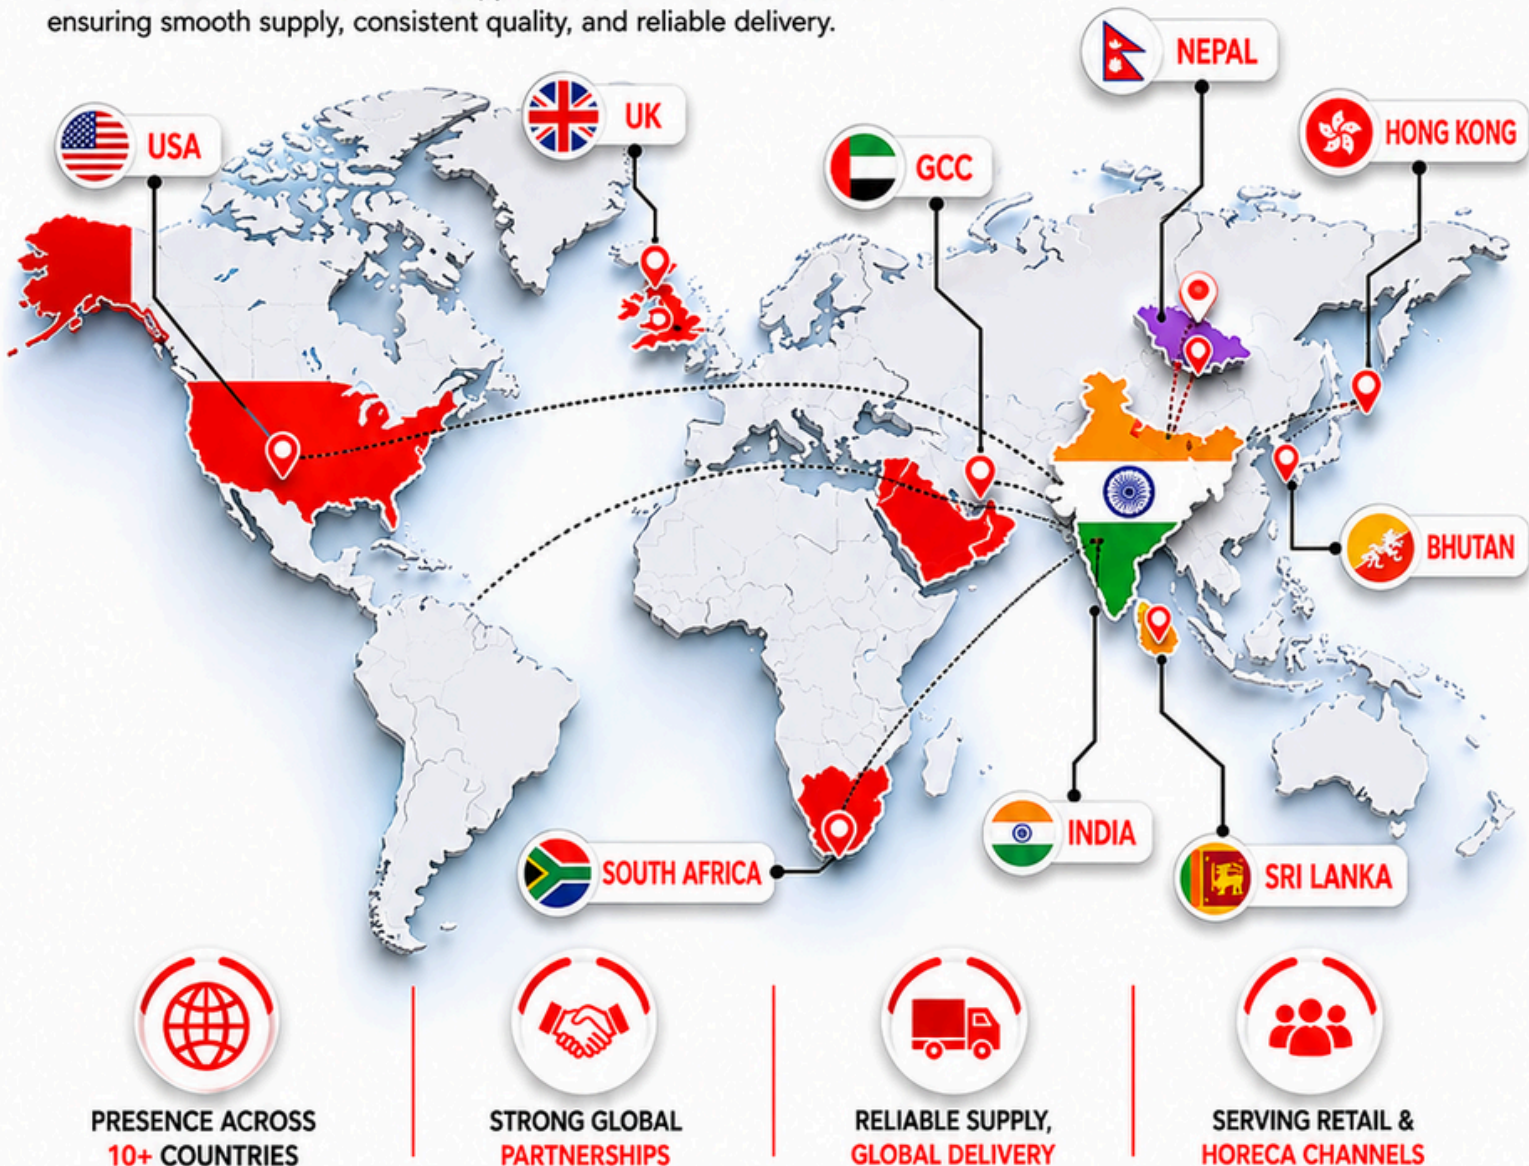

Joymex Foods has also been featured in leading publications for helping make global cuisines more accessible and commercially viable in India.

GLOBAL PRESENCE

From local beginnings to a growing international footprint, **Joymex Foods** today serves customers across multiple regions.

We have a strong presence across India and have expanded into key international markets, including USA, UK, GCC, Sri Lanka, Bhutan, Hong Kong, Nepal, and South Africa, with a steadily growing network in other regions.

Our distribution model is built to support both retail and HoReCa channels, ensuring smooth supply, consistent quality, and reliable delivery.

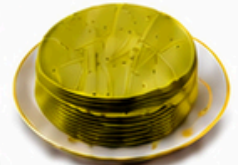

As we continue to grow, our focus remains on building strong partnerships in global markets and making our products easily accessible across different regions.

**Today, we are proud to be a part of kitchens across countries —
with many more to come.**
